

FOLLOW CDC GUIDELINES TO KEEP OUR COMMUNITY SAFE AND OPEN

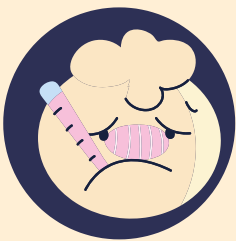

We are committed to keeping our community safe and our health a priority. We've implemented new policies to ensure everyone's safety is a priority. You may notice some changes in our cleaning measures and new social distancing standards. This is to mitigate new outbreaks of the COVID-19 virus. Please be patient with us as we all learn these new ways of business!

Protect our vulnerable population. Help protect our high risk staff and customers
